## MADE EXCLUSIVELY FOR ANN SACKS BY ROBERN

Inspired by the infinite beauty of the California coastline, the Alisal collection is an interior landscape of organic touchpoints, layered textures, and a palette of natural wood tones. Topped with a creamy marble top, the beautifully crafted wood cabinet is expertly constructed from solid Oak with mitered corner joints and laid in a subtle continuous, horizontal veneer pattern. The dimensional drawer design has an integrated metalwork plate pull adding a striking geometric effect. The faux front top drawer and lower plumbing drawer are flanked by smaller side working drawers for ample storage and is raised on a low-slung, metal sleigh leg base.

## FEATURES

- Vanity is sold as a set that includes a stone top, and an undermount basin.
- Stone top is fabricated in marbles from Italy and Portugal
- Stone top is fabricated with pre-drilled knock-outs, accomodating a deck mounted or a wall mounted faucet and the Kallista Perfect Centric Rectangle Basin
- Top drawers are false front; middle and bottom drawers are plumbing drawers; removable glass drawer dividers are included
- Solid wood and veneer construction with integrated stainless steel metalwork; durable, moisture resistant polyurethane finish; stainless steel sleigh legs are a high-quality, hand-welded single solid piece
- Adjustable Blum undermount full extension slow-close drawer slides
- Lighting features textured cast glass shades
- Mirror has rounded corners and a hand finished metal frame. can be mounted in portrait or landscape orientation.

## INSTALLATION AND MAINTENANCE

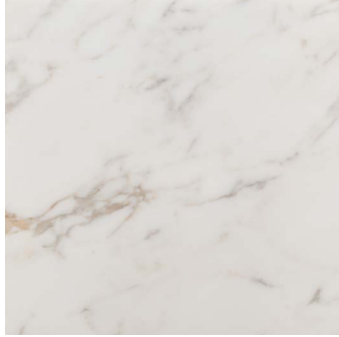

- Please refer to Robern, Kallista and Kohler technical documents for installation requirements
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- Stone tops are honed, we reccomend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
