## MADE EXCLUSIVELY FOR ANN SACKS BY ROBERN

Two showstopping designs are the Claudette Vanity – offered in 36-inch and 56-inch versions – and an 80-inch-high Linen Cabinet. Beginning with a single slab of marble, the Claudette Vanity rectangular top has a fluted apron front and straight sides. The top rests on a sleek, solid stainless steel frame finished in Brass. The hand-welded base is supported by straight legs that are joined in a box stretcher set inlaid with a seamless length of matching figured marble to create the lower marble shelf. The creamy, multi-layer painted white lacquer cabinet is centered by a slightly oversized circular Brass-painted pull and supported by stainless steel legs that are joined in a box stretcher and finished in Brass.

## INSTALLATION AND MAINTENANCE

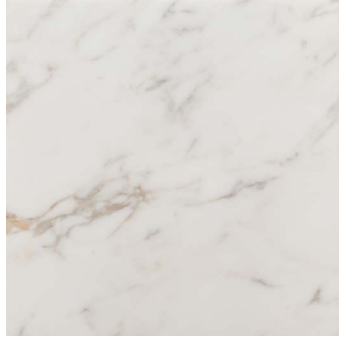

- Please refer to Robern, Kallista and Kohler technical documents for installation requirements
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- The Claudette stone top is pre-drilled for a deck mount faucet and the Kallista Perfect Soft Rectangle Basin
- Stone tops and shelves are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone top and stone shelf is recommended using products formulated for natural stone
