The Cornell Vanity and Cornell Linen Storage take its cues from the crisp, tailored lines, mirrored appointments, and cool marble surfaces. The Cornell designs, which include 24-inch and 36-inch vanities and a linen cabinet, weave in traditional elements based upon 1930s American design, yet draw upon an organic blend of metal and stone appointments for a look that is fresh and of-the-moment. Whether selected for a more intimate setting or paired for a grand bathroom interior, the Cornell designs do not disappoint. A statement in simplicity, the marble vanity top and backsplash rests above a simple stainless steel, hand-welded framework base finished in Polished Stainless Steel, the lower legs joined by stretchers that form a lower shelf fitted with a matching marble shelf.

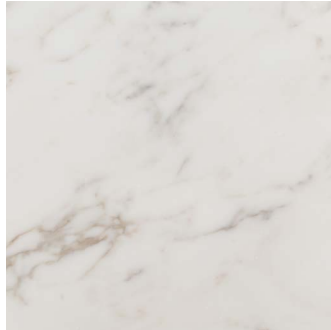

FEATURES

- Stone tops are fabricated in marbles from Italy and Portugal
- Vanity is sold as a set that includes a stone top, stone shelf, and an undermount basin.
- The Cornell stone top has a classic stone backsplash
- High-quality stainless steel base is hand finished and hand-welded
- Expertly crafted rounded corner detailing; freestanding design with elevated shelves allows for ease of cleaning under the vanity and storage shelf; with adjustable leveling feet
- Storage shelf has three stone shelves for open storage
- Lighting has a playful orb form in creamy ceramic that is a modern statement in simplicity
- Decorative thin framed metal mirror with hand finished metal frame can be mounted in portrait or landscape orientation

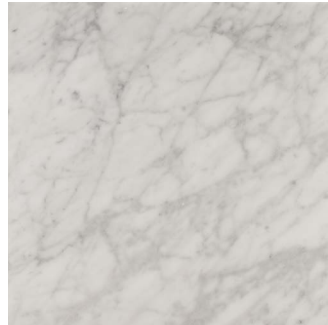

INSTALLATION AND MAINTENANCE

- Please refer to Roborn, Kallista and Kohler technical documents for installation requirements
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- Stone top is fabricated with pre-drilled knock-outs, accommodating a deck mounted or a wall mounted faucet and the Kallista Perfect Soft Rectangle Basin
- Stone tops and shelves are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone top and stone shelf is recommended using products formulated for natural stone
