MADE EXCLUSIVELY FOR ANN SACKS BY ROBERN

The Willowmere vanity showcases classic cabinet-making craftsmanship, with beautifully figured veneers and a mitered frame-within-a-frame design creating an attractive play of light across the surfaces. The cabinet is crafted from solid oak and laid with highly figured oak veneers contrasted by a creamy, lightly veined marble top. The two-door, 36-inch size vanity and four-door 72-inch double vanity are fitted with stainless steel ring pulls and when opened, feature spacious interiors with adjustable shelving and a plumbing cutout. The Willowmere is raised on solid oak legs with stainless steel endcaps.

FEATURES

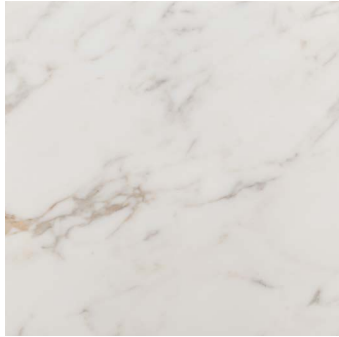

- Stone tops are fabricated in marbles from Italy and Portugal
- Vanity is sold as a set that includes a stone top, and an undermount basin.
- Two doors with one adjustable plumbing shelf for the 36" W vanity; four doors with two adjustable plumbing shelves for the 72" W vanity
- Solid wood and veneer construction; durable, moisture resistant polyurethane finish
- Distinctive mitered raised panel doors with matching raised panel sides; tapered legs with adjustable leveling feet; freestanding design
- Stainless steel ring pulls and endcaps add subtle ornamentation to the classic silhouette; adjustable Blum slow-close hinges
- Lighting combines smoked glass and artful knurling detailing
- Decorative scalloped metal mirror with hand finished metal frame. Can be mounted in portrait or landscape orientation

INSTALLATION AND MAINTENANCE

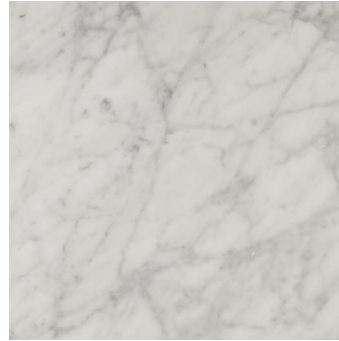

- Please refer to Robern, Kallista and Kohler technical documents for installation requirements
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- Stone top is fabricated with pre-drilled knock-outs, accommodating a deck mounted or a wall mounted faucet and the Kallista Perfect Centric Rectangle Basin
- Stone tops are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone top is recommended using products formulated for natural stone
