

Wyndale™

Wyndale 72" W double vanity in dark burnt oak with brushed pewter and carrara top

MADE EXCLUSIVELY FOR ANN SACKS BY ROBERN

Inspired by mid-century design, the Wyndale Vanity is a dynamic, individual form horizontally laid up in a reeded Oak paneling on the doors and sides juxtaposed by a vertical lay up on the drawers creating exceptional surface movement. The 72-inch double vanity features three centered, working drawers, with the top drawer including two glass dividers, and are flanked by doors that house plumbing shelves. The 36-inch version features two doors with an open interior. Oval cast stainless steel knobs simply adorn the cabinet doors and drawers, again flipped in direction to continue the playful contrast of texture and materials. Raised on four angled and tapered solid Oak legs, with a slight reveal between the cabinet and angled base adding to its visual charm

FEATURES

- Stone tops are fabricated in marbles from Italy and Portugal
- Vanity is sold as a set that includes a stone top, and an undermount basin
- Top drawer is a false front with 2 doors for open storage for the 36" W; four doors with two plumbing shelves and three middle drawers with removable glass drawer dividers for the 72" W vanity
- Solid wood and veneer construction; durable, moisture resistant polyurethane finish
- Ribbed detailing on door and drawer fronts; mid-century inspired tapered legs; adjustable leveling feet; dovetailed drawers; freestanding design
- Organically shaped oval knobs add contrast to the mid-century design; adjustable Blum undermount full extension slow-close drawer slides and slow-close hinges
- Lighting has rich Alabaster shades with metal details
- Mirror has an eye-catching tapered silhouette with bold metal framing

INSTALLATION AND MAINTENANCE

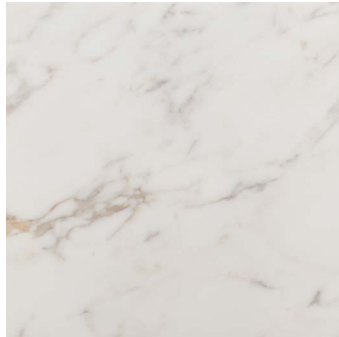

- Please refer to Robern, Kallista and Kohler technical documents for installation requirements
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration.
- Stone top is fabricated with pre-drilled knock-outs, accommodating a deck mounted or a wall mounted faucet and the Kallista Perfect Centric Rectangle Basin
- Stone tops are honed, we recommend sealing prior to use with a penetrating sealer
- Periodic cleaning and resealing of the stone top is recommended using products formulated for natural stone
